

Women Build 2026

May 14th, 15th & 16th

Women Build!

Women Build is an empowering annual event where women of all ages and backgrounds join forces to build homes, tackle homeownership challenges, and make a visible impact in our community. Join us in fostering a unique and positive environment for everyone to give back.

Are you ready to build with us?

Get your tickets now for just \$30 on our website islandcountyhabitat.org/women-build-2026/ or scan the QR code below to secure your spot.

Don't have time to participate but still want to support our cause? Please make a donation and still be a part of this meaningful experience!

**Build together. Fundraise together.
Make an impact together.**

Women Build is even more powerful when groups come together as teams. Friends, coworkers, clubs, families, or community groups - to build, inspire, and raise support for affordable homeownership in Island County. Create a team, claim your build day, and start your fundraising journey today!
